On October 15, 2019, the Bankruptcy Court for the Southern District of New York (the “**Bankruptcy Court**”) entered an order confirming the *Modified Second Amended Joint Chapter 11 Plan of Sears Holdings Corporation and its Affiliated Debtors* [ECF No. 5293] (the “**Plan**”),³ approving, among other things, a proposed consent program for holders of Administrative Expense Claims (the “**Administrative Expense Claims Consent Program**”) by and among the above-captioned debtors and debtors in possession (collectively, the “**Debtors**”), the Creditors’ Committee and the Ad Hoc Vendor Group⁴ [ECF No. 5370] (the “**Confirmation Order**”).⁵

You are receiving the opt-in ballot (the “**Opt-In Ballot**”), attached hereto as **Exhibit A**, and the opt-out ballot (the “**Opt-Out Ballot**” and together with the Opt-In Ballot, the “**Election Ballots**”), attached hereto as **Exhibit B**, because, as a holder of an Administrative Expense Claim,⁶ you are entitled to opt-in to or opt-out of the Administrative Expense Claims Consent Program.

If you do not take any action, you will be deemed to have opted in and will be bound by the Administrative Expense Claims Consent Program, but not entitled to any benefits that will be provided to holders of Administrative Expense Claims who affirmatively opt-in to the Administrative Expense Claims Consent Program prior to the Opt-In/Opt-Out Deadline, namely, participation in an initial distribution of \$21 million on or about December 1, 2019 to all holders of Administrative Expense Claims who opt-in to the Administrative Expense Claims Consent Program.

All Holders of Administrative Expense Claims (other than the Ad Hoc Vendor Group that is deemed to have opted-in) have an option to opt-in to or opt-out of the Administrative Expense Claims Consent Program and releases contained therein. **The Creditors’ Committee and the Debtors recommend that you affirmatively opt-in to and do not opt-out the Administrative Expense Claims Consent Program.**

² Thirty-three (33) days after service of this notice.

³ Capitalized terms used but not otherwise defined herein shall have the meanings set forth in the Confirmation Order or the Plan.

⁴ The “**Ad Hoc Vendor Group**” means collectively, Whitebox Asymmetric Partners, LP, Whitebox Multi-Strategy Partners, LP, Hain Capital Investors Master Fund, Ltd., and Cherokee Debt Acquisition, LLC.

⁵ Copies of the Plan, Confirmation Order, and the Administrative Expense Claims Consent Program Term Sheet may be accessed free of charge by visiting the website maintained by the Debtors’ agent, Prime Clerk, LLC (the “**Claims and Noticing Agent**”) at <https://restructuring.primeclerk.com/sears>.

⁶ Specifically, you are receiving the Election Ballots because either (i) the Debtors believe you may be a Holder of an Administrative Expense Claim as of August 6, 2019 or (ii) you filed a proof of Administrative Expense Claim, filed a motion seeking allowance of an Administrative Expense Claim, or have otherwise asserted an Administrative Expense Claim in these Chapter 11 Cases.

TREATMENT OF ADMINISTRATIVE EXPENSE CLAIMHOLDERS WHO AFFIRMATIVELY OPT-IN

All holders of Allowed Administrative Expense Claims that affirmatively opt-in (the “**Opt-In Settled Admin Claims**”) to the Administrative Expense Claims Consent Program prior to the Opt-In/Opt-Out Deadline shall receive, among other things:⁷

- Their pro rata share of \$21 million (“**Initial Cash Pool**”), on or about December 1, 2019 (the percentage recovery, the “**Initial Recovery**”);
- total recovery capped at 75% of the Allowed Administrative Expense Claim;
- such \$21 million shall only be available to holders of Opt-In Settled Admin Claims who consensually agree with the Debtors to the Allowed amount of the Opt-In Settled Admin Claims;
- consensual reconciliation of the Allowed amount of Opt-In Settled Admin Claims (including on account of 503(b)(9) and 503(b)(1) issues regarding inducement, date of receipt, port of origin, etc., and any exposure on account of preference actions), to be completed within 30 days from the date of receipt of the Opt-In Ballot (the “**Expedited Reconciliation**”);
- to the extent the Debtors, the Creditors’ Committee, and the holder of the Opt-In Settled Admin Claim are unable to consensually resolve the Allowed amount, such resolution shall be subject to reconciliation on an agreed-upon schedule as reasonably agreed to by the Debtors, the Creditors’ Committee, and the applicable holder of an Opt-In Settled Admin Claim;
- for the avoidance of doubt, any waiver or settlement of any preference action shall be considered on a case-by-case basis; and
- holders who do not agree with the Debtors and the Creditors’ Committee on the Allowed amount of Opt-In Settled Admin Claims shall be deemed to hold a Non Opt-Out Settled Admin Claim.

TREATMENT OF ADMINISTRATIVE EXPENSE CLAIMHOLDERS WHO NEITHER OPT-IN NOR OPT-OUT

All Holders of an Allowed Administrative Expense Claim against the Debtors who neither (i) opt-in to the Administrative Expense Claims Consent Program nor (ii) opt-out of the Administrative Expense Claims Consent Program prior to the Opt-In/Opt-Out Deadline (the “**Non Opt-Out Settled Admin Claims**,” and together with the Opt-In Settled Admin Claims, the “**Settled Administrative Expense Claims**”) shall receive, among other things:

- its pro rata share of the Second Distribution, which will be shared only by other holders of Non Opt-Out Settled Admin Claims until they have received a percentage of distribution on their Non Opt-Out Settled Admin Claims that is equal to the Initial Recovery provided to holders of Opt-In Settled Claims;
- total recovery capped at 80% of the Allowed Administrative Expense Claim (together with the Initial Recovery, the “**Settled Admin Expense Claims Recovery**”);
- Expedited Reconciliation to be completed within 30 days from the Opt-In/Opt-Out Deadline;
- to the extent the Debtors, the Creditors’ Committee, and the holder of the Non Opt-Out Settled Admin Claim are unable to consensually resolve the Allowed amount, such resolution shall be subject to reconciliation on an agreed-upon schedule as reasonably agreed to by the Debtors, the Creditors’ Committee, and the applicable holder of a Non Opt-Out Settled Admin Claim; and
- any waiver or settlement of any preference action shall be considered on a case-by-case basis.

All holders of Administrative Expense Claims who do not opt out of the Administrative Expense Claims Consent Program will be deemed to be satisfied in full on account of such claim once they have received payment in cash equal to (i) 75% of the applicable Allowed Administrative Expense Claim on account of Opt-In Settled Admin

⁷ The following is an illustrative summary of the benefits of the Administrative Expense Claims Consent Program and is qualified in its entirety by reference to the applicable provisions in the Confirmation Order.

Claims, and (ii) 80% of the applicable Allowed Administrative Expense Claim on account of Non Opt-Out Settled Admin Claims. Any Distributions made on account of Settled Administrative Expense Claims shall not be subject to disgorgement, including without limitation, upon any conversion or dismissal of the Chapter 11 Cases. And upon entry of the Confirmation Order, all Settled Administrative Expense Claims shall be Allowed against the Debtors in these Chapter 11 Cases on a consolidated basis, or upon any conversion or dismissal of the Chapter 11 Cases.

TREATMENT OF ADMINISTRATIVE EXPENSE CLAIMHOLDERS WHO OPT-OUT

If you **opt out of the Administrative Expense Claims Consent Program** prior to the Opt-In/Opt-Out Deadline, you will retain the right to receive payment of the Allowed 100% of your Administrative Expense Claim, but payment of your Administrative Expense Claim shall occur on the latest of (i) the Effective Date, (ii) the first Business Day after the date that is thirty (30) calendar days after the date such Administrative Expense Claim is Allowed, and (iii) the next Distribution Date after such Administrative Expense Claim is Allowed. Holders of opt-out Claims will not be entitled to participate in the Initial Distribution, Second Distribution, or any further distribution until the Plan has become effective or the Settled Administrative Expense Claims have been satisfied.

Each Holder of a Settled Administrative Expense Claim also agrees (1) to support the Plan; and (2) that acceptance of and consent to the Administrative Expense Claims Consent Program will be deemed consent to the Plan, acceptance of the treatment under the Plan in satisfaction of section 1129(a)(9) of the Bankruptcy Code, and agreement to provides the releases included in the Administrative Expense Claims Consent Program.

INSTRUCTION FOR OPTING-IN OR OPTING-OUT

In order to **opt-in** to or **opt-out** of the Administrative Expense Claims Consent Program, you must complete, execute, and submit your Opt-In Ballot or Opt-Out Ballot to the Claims and Noticing Agent so that your Opt-In Ballot or Opt-Out Ballot is **actually received** by the Claims and Noticing Agent on or before the Opt-In/Opt-Out Deadline, which is **November 18, 2019, at 4:00 p.m., prevailing Eastern Time**.

You are strongly encouraged to review the Administrative Expense Claims Consent Program Term Sheet and the Plan before you make an election. You may wish to seek legal advice concerning the Administrative Expense Claims Consent Program and the Election Ballots.

Acceptable Methods to Complete and Submit Your Election Ballots. You may elect to opt-in to or opt-out of the Administrative Expense Claims Consent Program by completing and submitting (i) an electronic Opt-In Ballot or Opt-Out Ballot through the dedicated, online portal maintained by the Claims and Noticing Agent (“**E-Ballot**”) or (ii) one of the paper-copy Election Ballots (the “**Paper Election Ballots**”). CERTAIN RISK FACTORS TO BE CONSIDERED

1. Risks Related to Debtors’ Ability to Make Distributions

(a) Debtors’ Assets Available for Distributions

As described in greater detail in the Griffith Declaration, Murphy Declaration, and Transier Declaration,⁹ the Debtors’ Assets as of the September 18, 2019 include approximately \$173.5 million comprised of (i) approximately \$50.1 million in cash on hand, (ii) \$33.4 million on account of other Assets to be monetized, and (iii) approximately \$97 million owed by Transform for the assumptions of 503(b)(9) Claims¹⁰ (the “**Additional Asset Proceeds**”):

Sources	
Cash on Hand at 9/18/19	\$ 50.1
Calder Net Proceeds	10.0
Real Estate Proceeds	13.1
De Minimis Assets	5.3
2017 EDA Funds	5.0
Transform 503(b)(9) Obligations	90.0
Total Sources	\$ 173.5

In addition, the Debtors believe they will receive significant recoveries from the proceeds of certain valuable litigation assets, including avoidance action arising under section 547 of the Bankruptcy Code or any comparable “preference” action arising under applicable non-bankruptcy law (collectively, the “**Preference Actions**”), certain

⁹ Declaration of Brian J. Griffith in Support of Confirmation of Modified Second Amended Joint Chapter 11 Plan of Liquidation of Sears Holdings Corporation and its Affiliated Debtors (ECF No. 5148) (the “**Griffith Declaration**”), Declaration of William Murphy in Support of Confirmation of Modified Second Amended Joint Chapter 11 Plan of Liquidation of Sears Holdings Corporation and its Affiliated Debtors (ECF No. 5149) (the “**Murphy Declaration**”), Declaration of William L. Transier in Support of Confirmation of Modified Second Amended Joint Chapter 11 Plan of Liquidation of Sears Holdings Corporation and its Affiliated Debtors (ECF No. 5146) (the “**Transier Declaration**”).

¹⁰ The Debtors believe that pursuant to section 2.3(k)(ix) of the Asset Purchase Agreement, Transform is obligated to assume approximately \$97 million on account of 503(b)(9) Claims. The \$90 million reflected herein ties to the \$90 million of estimated 503(b)(9) Claims; to the extent the 503(b)(9) Claims are in excess of \$90 million, Transform shall be liable to assume up to \$97 million on account of 503(b)(9) Claims pursuant to the Asset Purchase Agreement. Transform disputes that it owes such amounts to the Debtors.

prepetition related party transaction claims against ESL Investments, Inc. and its affiliates (“ESL”) and other parties, and potential settlements with insurers with respect to claims against the D&O Policy (together the “**Litigation Proceeds**”), although there can be no assurance of any recovery:

- **Preference Actions.** The Debtors estimate that they will receive at least approximately \$100 million in recoveries from Preference Actions out of an excess of \$1.345 billion of gross total transfers in the preference window, which is consistent with comparable transactions where the average range of recoveries is from 11.4% if the gross total transfers pursued or, alternatively 23.7% of those transfers, net of subsequent new value. *See* Griffith Decl., ¶¶ 64-70.
- **ESL Litigation.** The Debtors’ Restructuring Subcommittee and the Creditors’ Committee both have investigated the prepetition related party transaction claims and concluded that such claims are meritorious. On April 17, 2019 the Restructuring Subcommittee, on behalf of certain of the Debtors, filed an adversary complaint against ESL Investments, Inc., its affiliates, various third parties, and certain of the Debtors’ directors and officers (ECF No. 3278) (the “**Subcommittee Adversary Complaint**”), seeking over \$2 billion in damages arising from certain prepetition related party transactions. *See* Transier Decl., ¶¶ 20-27. As of the date hereof, the Court has not heard any arguments or considered any evidence in connection with the Subcommittee Adversary Complaint. Current and prospective defendants dispute the validity of Claims asserted in the Subcommittee Adversary Complaint, and there is no assurance of any recovery.
- **D&O Insurance.** The Debtors believe they may be able to receive significant recoveries against available D&O Policies on account of Preserved Causes of Action against the Specified Directors and Officers. The Debtors believe that there is at least approximately \$150 million of available directors and officers liability insurance that provides a source of recovery to the Debtor plaintiffs in the Subcommittee Adversary Complaint against parties (in their capacity as directors and/or officers) who are covered by such insurance. Certain defendants (such as ESL, Lampert and the Seritage parties) in the Subcommittee Adversary Complaint may also be liable for sums separate and apart from any available insurance coverage. *See* Transier Decl., ¶ 28. Certain insurers have disclaimed coverage under certain of the D&O Policies.

There can be no assurance that the Debtors will be able to successfully monetize their Assets in the projected amounts or when such Assets will be monetized. There is a risk that the Net Proceeds of Total Assets, including the Litigation Proceeds, may be significantly less than projected, which, in turn, could cause the amount and timing of Distributions to adversely change substantially. Further, unanticipated events and circumstances may affect the ultimate recoveries.

(b) Debtors’ Estimate of Outstanding Claims on the Effective Date

The Debtors and their advisors have conducted an extensive analysis to estimate the Debtors’ outstanding Claims pool and are continuing to review and analyze Claims. The Debtors have filed and intend to continue to file objections to Claims. In the aggregate, the Debtors believe that the sources above will be enough to satisfy the Debtors’ estimate of outstanding Claims by the Effective Date:

Uses	Low Claims	High Claims
Liquidating Trust funding	\$ (25.0)	\$ (25.0)
Remaining estate professional fees	(9.0)	(9.0)
503(b)(9)	(90.0)	(155.0)
Other Admin Claims	(50.0)	(50.0)
Secured	(18.0)	(18.0)
Priority Tax	(15.0)	(18.0)
Priority Non-Tax	(3.0)	(3.0)
Total Uses	\$ (210.0)	\$ (278.0)
Total Potential Shortfall (without Litigation Proceeds)	\$ (36.5)	\$ (104.5)

But, there can be no assurance that the estimated Allowed amount of Claims will not be significantly more than projected, which, in turn, could cause the total recovery on Administrative Expense Claims to be lower. Some assumptions may not materialize, and unanticipated events and circumstances may affect the ultimate results. Therefore, the actual amount of Allowed Claims may vary from the Debtors' feasibility analysis, and the variation may be material.

(c) Distribution Funding Sources

The Initial Cash Pool, the Second Distribution, additional pre-Effective Date distributions to Settled Administrative Expense Claims, and post-Effective Date Distributions to Opt-Out Claims, will be funded from the following sources, as follows:

	Within three (3) Business Days of Entry of the Confirmation Order¹¹	Post-Confirmation Date, Pre-Effective Date	Post-Effective Date
Initial Cash Pool (\$21 million) for the Initial Distribution to Opt-In Settled Admin Claims only	\$16 million funded from: (i) unrestricted cash on hand and (ii) a minimum of \$3 million from the Carve-Out Account	\$5 million from Additional Asset Proceeds <i>and/or</i> Litigation Proceeds (to occur prior to the Initial Distribution)	N/A
Second Distribution to Non Opt-Out Settled Admin Claims¹²	N/A	Subject to the Minimum Conditions, ¹³ from Additional Asset Proceeds <i>and/or</i> Litigation Proceeds	N/A
Further Distribution(s) to Settled Admin Claims	N/A	Subject to the Second Distribution, from Additional Asset Proceeds <i>and/or</i> Litigation Proceeds	N/A
Distributions to Opt-Out Claims	N/A	N/A	From Additional Asset Proceeds <i>and/or</i> Litigation Proceeds

¹¹ Within three (3) Business Days of entry of the Confirmation Order, an additional (i) \$15 million from cash on hand will be placed into the segregated Litigation Funding Account for funding of the litigation associated with the Jointly Asserted Causes of Action (the "**Litigation Funding**") and (ii) \$5 million will be placed into the segregated Cash Reserve Account for post-Confirmation estate costs including, without limitation, additional professional fees of the Debtors' and the Creditors' Committee not included in the Carve-Out Account as of the entry of the Confirmation Order (the "**Cash Reserve**").

¹² To the extent there are any amounts remaining for distribution after the Non Opt-out Settled Admin Claims have received the percentage recovery equal to the Initial Recovery, the Opt-In Settled Admin Claims shall share pro rata in such excess with the Non Opt-Out Settled Admin Claims.

¹³ The Second Distribution shall not occur until each of the until each of the following conditions is met: (i) a total of \$25 million has been funded into the Litigation Funding Account in the aggregate, (ii) there has been a funding of \$10 million in the aggregate in the Cash Reserve Account and (iii) the Segregated Account has an additional \$10 million in cash (together, the "**Minimum Conditions**").

2. Risk of Non-Occurrence of Effective Date
